OBJECTIVE

To transition my career into backend development as a Junior Backend Developer, applying my technical skills in PHP, Laravel, MySQL and Git, along with strong problem-solving and communication skills gained from sales experience.

WORK EXPERIENCE

Sales Executive 2020 - 2023

Euro Car Showroom

- Explain car features, models, and pricing clearly
- Answer customer questions and provide correct information
- Arrange test drives for interested customers
- Prepare sales paperwork and contracts
- Follow up with customers after showroom visits
- Maintain a clean and organized showroom display
- Meet monthly sales targets and goals
- Coordinate with finance or insurance departments
- Build strong relationships with customers to encourage future sales

OJT Trainee Aug 2025 to Oct 2025

Code Lab (Ecommerce Website(Solo Project))

Technologies - PHP/Laravel/MySQL/Git

- Developed a fully functional e-commerce website independently.
- Used a pre-designed HTML/CSS/Bootstrap template for frontend layout.
- Implemented key features:
- Product catalog with multiple categories
- Shopping cart and checkout system
- User authentication and profile management
- Order management and admin dashboard
- Managed database schema and server-side logic using MySQL
- Applied version control using Git and hosted code on GitHub
